### **Parenting Group - July 7th, 14th, 21st & 28th - Oct. 6th, 13th, 20th & 27th**

#### **When to Say YES, When to Say NO Help Your Children Gain Control of Their Lives**

Parenting is a tough, but rewarding job. A parent's goal is to prepare children to be successful, productive and likable adults. Parenting on purpose, instead of just reacting to situations, is the focus of this group. These classes will offer parents encouragement and new techniques to have the greatest impact on their children's development. Parents with children of all ages will learn ways to prepare their children for the future. Information from *Boundaries With Kids* by Dr. Henry Cloud and Dr. John Townsend is presented in an interactive environment.

**This group may well be the best investment parents will ever make into the life-long welfare of their children!**

### **Anger Management - July 6th, 13th, 20th & 27th - Oct. 5th, 12th, 19th & 26th**

#### **Put Yourself in Control.**

If your anger is negatively affecting relationships with family, friends, co-workers and even complete strangers, it's time to take charge of your anger. There are steps to take to improve your anger management skills.

An anger management group is a way to inform people how they can express their anger in a controlled, healthy way. People will learn what anger is, how to recognize anger triggers, where personal anger stems from and how to control it.

**Groups run four weeks 6:00pm - 8:00pm**

**Cost: \$50.00**
